Cornwall's generally mild climate make the Autumn, Winter or Spring an ideal time to take a holiday in this beautiful part of the world. This is an wonderful time to walk the coastal foot path or for enjoying a Cornish pub lunch. Short breaks are available from October to May and all our apartments are centrally heated.

Christmas and New Year are very special in Looe. The Christmas lights around the harbour make this time of year even more magical. On New Years Eve, Looe celebrates with one of the countries biggest fancy dress parties and everyone is invited!

Lemain Garden Apartments are on the coast at Hannafore. This is a popular location for people to relax and enjoy the rock pools, beach and views of Looe Bay and St.George's Island. Boats are available from Looe Harbour for those wishing to visit the Island. For the more energetic , there is diving, tennis, bowling or the spectacular coastal footpath to Talland Bay and the picturesque fishing village of Polperro.

Ten minutes walk away, the twin towns of East and West Looe lie either side of the harbour and are joined by a medieval arched bridge. Looe offers quaint old buildings, twisting streets, smugglers taverns and a variety of shops and fine restaurants.

The activities of the fishing fleet are a constant fascination, see the latest catch being landed at the Fish Market. The Quay also provides a base for the many boat trips from short sea rides to longer fishing trips to catch mackerel, conger and shark.
